

MEN'S SPIRIT FIRE

FULL MOON DRUM & MEDITATION CIRCLE WITH
JIM WOLFSON AND YOSEF KOTTLER — WED., NOV. 1ST AT 7PM

LET THE FIRE ILLUMINATE OUR RHYTHMS AND STORIES,
AND COMBUST WHAT NO LONGER SERVES US.

18 WOODRIDGE ROAD, WAYLAND, MA

Men have sat around the fire for centuries. To be in community...to share our visions...
to let our souls become illuminated...to let ceremony bring us to our wildness...to let song call
to our inner spirits...and to let the drumbeat connect us with our hearts and with the pulse of the earth.
Leave your tech, your worries and your plans aside for an evening. Come honor the men who gather together
around the fire — and acknowledge your authentic self.

Fire begins promptly at 7:00 pm and ends at 9:00 pm It takes place in Jim's backyard – in a special fire
pit he built by hand. Bring a drum and a shaker if you have one (if not we will provide).
